ATTENDANCE

"Such regular attendance shall be during all the days and hours that the public schools are in session in the district, unless it is shown to the satisfaction of the board of education of the district that the mental condition of the child is such that he cannot benefit from instruction in the school or that that bodily condition of the child is such as to prevent his attendance at school, but nothing herein shall be construed as permitted the temporary or permanent exclusion from school by the board of education of any district of any child between the ages of five

and 20, except as explicitly otherwise provided by law."
18A:38-26. Days when attendance is required; exceptions

Regular attendance is expected of all students in order to attain academic success at the grade level. Excessive unexcused absences can lead to retention. (ONLY RELIGIOUS HOLIDAYS ARE RECOGNIZED AS EXCUSED ABSENCES) Excessive tardiness may have a detrimental effect upon the academic performance and grade of your child. It is the duty of the school officials to be certain that a child's absence is justified and does not violate State Law.

Authorized reasons for absence include the following:

1. Religious holiday (parent's note)

If a student is absent from school, parents are requested to report the child's absence by calling the Office of the Principal. After every absence, including those for which excuses have been telephoned to the school, the student must bring in a written excuse to his/her teacher. This note should include the date absent, the reason for absence, and the signature of the child's parent/guardian.

EXAMPLE: Dear (teacher's name)

Date:

Please excuse my child (child's name) for being absent from school on the following day (s). He/ she was not in school because (reason).

Sincerely,
(Signature of parent/guardian)

NOTE: A letter from a physician may be required from students who are absent an excessive number of days.

STUDENT ARRIVAL AND DEPARTURE

ARRIVAL: Elementary students must not arrive at the school grounds before 8:25 AM. Students arriving earlier are prone to having accidents and other mishaps while unsupervised.

DEPARTURE: Students leave school grounds immediately after dismissal time unless being detained for tutoring, detention, or participation in extra-curricular activities.

EXCUSED: Students are not permitted to leave early except in an emergency. Parents or guardians must pick up the student in the Main Office and officially sign the student out.

DISMISSAL: With the approval of the Principal, any student in need of early dismissal must bring a note signed by the parent or guardian. The note must state adequate cause for the request. Parents or guardians must pick up the student in the Main Office.

TARDINESS: If a student enters the building after the second bell, he or she must report directly to the Main Office. A record of times tardy is kept for each child. Excessive tardiness is not conducive to sound educational policy.

VISITOR'S RESPONSIBILITIES

FOR THE SAFETY OF THE CHILDREN, **ALL VISITORS** MUST REPORT TO THE MAIN OFFICE IMMEDIATELY UPON ENTERING THE SCHOOL BUILDING.

The visitor will then record his/her name on the sign-in sheet provided and state the nature of the visit and the person they wish to see. Visitors are NEVER permitted to go to any classroom to see a student or teacher without first obtaining permission from the Main Office.

SCHOOL CLOSINGS

In the event that the Garfield Public Schools will be closed due to inclement weather or for any other emergency, the following measures will be provided to inform parents and students.

1. Community Notification System (**KEEP PHONE NUMBERS CURRENT**)
2. Garfield website: www.gboe.org
3. Channel 5 FOX NEWS / Channel 12 News

*Parents **SHOULD NOT CALL** the school, the **Board of Education**, or **Police Department** for information about school closings. These lines must remain open for emergency calls.

NOTE: Every child should be made aware as to where he or she should go in the event that parents are not home and school closes due to an emergency.

DELAYED OPENING

As a result of severe inclement weather or other emergency, school opening will be delayed until 10:00 AM. Students report at 9:50 – 10:00 AM. **Lunch will be served.** Dismissal will be regular time, 2:45 PM.

ONE SESSION DAY

Students report regular time. **Lunch will be served.** Dismissal is 12:55PM.

EMERGENCY CARDS

Emergency cards are kept on all students. IT IS OF THE UTMOST IMPORTANCE THAT THEY ARE KEPT UP TO DATE so the school can contact parents or guardians in the event of an emergency that concerns your child.

Parents are requested to provide their home, cell, and business address and telephone number so that they can be reached anytime during the school day. The name, address and telephone number of another responsible adult (family or friend) is also requested in the event that the parent or guardian cannot be reached. A parent must sign ALL cards.

MEDICATION

The Board shall not be responsible for the diagnosis and treatment of student illness. The administration of prescription medicine to a student during school hours will only be permitted when failure to take such a medicine would jeopardize the health of the student and he/she would not be able to attend school if the medication were not available during school hours. For the purpose of the policy "medication" shall include all medicines prescribed by a doctor.

It is of the utmost importance that parents alert the school concerning any medical problems that affect your child. Please inform the principal and school nurse if your child has any type of illness, allergy, or general health problems. This VITAL information will enable us to handle a medical emergency.

Any medication required by students must be left in the nurse's office and administered during the school day as per the following Board of Education policy:

In order to administer prescription drugs in the school, both of the following are necessary:

1. A note from the parent/guardian asking the medication be given to the child. A doctor's note stating the name of the medication, purpose, dosage and time it is to be given.
2. Medication must be brought to the nurse's office in the original, labeled container.

According to State Mandate, the certified school nurse or parent/guardian is the only person permitted to administer medication in the school. Therefore, if for any reason a school nurse is not available, it will be the responsibility of the parent/guardian to administer the medication. If there are any questions, please contact your school nurse.

PARENT-TEACHER CONFERENCES

It is vital that teachers and parents communicate their concerns regarding student progress. To comply with this need, regular conferences are scheduled. There are also times that a teacher will ask a parent or guardian to come to the school to discuss an important matter that concerns their child. These conferences are generally held between 2:45-3:15 PM (Mon.-Thurs.). If a parent requests to confer with a teacher or the Principal, an appointment must always be arranged in advance.

*** IT IS CRUCIAL PARENTS/GUARDIAN ATTEND SCHEDULED CONFERENCES DURING 1ST TRIMESTER.**

REPORT CARDS/GRADING

Report cards in grades Kindergarten through 5 will be issued on specific dates as indicated in Board of Education policy.

ACADEMIC PROGRESS is graded as follows:

*** IT IS THE STUDENT'S RESPONSIBILITY TO RETURN SIGNED INTERIM REPORTS AND REPORT CARDS PROMPTLY AND IN GOOD CONDITION.**

HOMEWORK

A homework assignment should stimulate intellectual development of the student and create or broaden desirable interests and habits. It should be of nature to reinforce the student's mastery of skills being taught as well as to develop the pupil's store of useful knowledge.

Homework should also encourage the creative use of the student's abilities. In short, homework should be an outgrowth and extension of meaningful classroom materials and activities. It should also be of a nature that develops proper study habits.

Since homework is a vital part of the educational process, it will be incorporated with other standard measures of grading such as quizzes, examinations, and oral participation to become a portion of the final grade. The total amount of time students in the same grade will spend, on homework will vary due to individual differences.

The following are the minimum homework time allocations:

Kindergarten:	15 minutes daily	Grade 3:	45 minutes daily
Grade 1:	15 minutes daily	Grade 4:	1 hour daily
Grade 2:	20 minutes daily	Grade 5:	1 hour daily

Regarding the role of the parent in the student's homework, the parent should:

1. Provide a quiet, comfortable work area for the student.
2. Build a respect for education by taking a serious interest in the assigned homework.
3. Designate a regular, uninterrupted work period for the child.
4. Help the student to budget his/her time properly for immediate and long-range assignments.

Encourage the pupil to work independently, but be available to provide help and guidelines when necessary.

PROMOTION AND RETENTION

The Board recognized that the personal, social, and physical educational growth of children varies.

It shall be the policy of the Board that each child be moved forward in a continuous pattern of achievement that is in harmony with his/her own development.

Such a pattern coincides with the system of grade levels established by this Board and the instructional objectives established for each. A student will be promoted to the succeeding grade level when he/she has:

1. Completed the course requirements at the presently assigned grade.
2. Demonstrated proficiency to move ahead to the educational program of the next grade.
3. Demonstrated the degree of social, emotional, and physical experience in the next grade.

REASONS FOR RETENTION

Grades 1, 2, and 3: Consideration for retention will be made when the pupil has not achieved one or more of the following:

1. Has failed either reading, language, math, **or** physical education.

2. Has a functional reading level more than one grade below his/her required instructional level.
3. Has failed two of the remaining academic areas.
4. Has not demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade level.
5. Excessive absenteeism (20 or more days): It is assumed that this absenteeism has caused the student to miss a sufficient quantity of presented materials to preclude his/her success in the successive grade level.
6. Review and analysis of Norm-Referenced and State Mandated testing results shall be considered when the possibility of retention exists.

Grades 4 and 5: Consideration for retention will be made when the pupil has not achieved one or more of the following:

1. Has failed two or more academic areas (reading, math, science, social studies, and language) or has failed physical education.
2. Has not demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade level.
3. Excessive absenteeism (20 or more days): It is assumed that this absenteeism has caused the student to miss a sufficient quantity of presented materials to preclude his/her success in the successive grade level.
4. Review and analysis of the Norm-Referenced and State Mandated testing results shall be considered when the possibility of retention exists.

PROCEDURE FOR POSSIBLE RETENTION

When retention is being considered, the teacher shall confer with the Principal and other staff members involved with the student. The parents or guardians shall be invited to a meeting with the teacher, Principal and other appropriate staff members at a parent-teacher conference for discussion of the matter. This discussion shall consist of an explanation to the parents/guardians of the student's proficiency level, the student's ability to achieve, and other factors influencing the decision. Goals will be set. Prior to April 1st, another meeting will be held to review the goals and the student's progress. The Principal shall make his/her recommendations to the Chief School Administrator as to whether the student will be retained in that grade. The decision shall be based on recommendations of the teaching staff, evaluation of student progress in remedial programs, and the judgment of the Principal. Final decisions regarding retention shall be made two weeks prior to the closing of school.

PROGRAM **TITLE I**

The Garfield Board of Education recognizes that the discharge of its responsibility to provide a thorough and efficient system of education for each child in the district may require special help to some students beyond the regular classroom program. The Garfield Board of Education shall be responsible for such preventative and remedial programs, defined herein as Basic Skills Improvement Programs. The district shall comply with all state and federal requirements in developing, implementing, administering, and evaluating funded compensatory education programs.

Said remedial programs shall include:

- * Assessment of pupil attainments as per Board policy
- * Evaluation procedures that measure pupil achievements related to remedial educational program objectives and standards

Parents/guardians of public and private schools shall be kept informed of their children's progress and shall be invited to consult with staff on ways to give their child the maximum benefits of such programs.

The Garfield Board of Education has a policy to guarantee the consultation requirement. At least once annually, a public meeting shall be held for the express purpose of informing parents/guardians of the programs and activities provided with Title I funds.

1. Informing parents/guardians of their right to consult in the design and implementation of the Title I project within constraints of the law
2. Providing parents/guardians with information about the Title I laws
3. Soliciting parents/guardians input about Basic Skills Improvement programs and related activities

All bilingual students also receive daily ESL instruction to strengthen their English proficiencies.

BASIC SKILLS PROGRAM

Eligibility for participation in the Basic Skills Improvement Program is determined by an analysis of the NJASK, HSPA, standardized test, or other assessment, and a Teacher Rating Scale in the areas of math, reading, and/or language arts. This program provides additional instruction in areas of weakness. A benchmark or progress indicator grade is given on the regular report card. Parents are encouraged to attend Basic Skills meetings, which are held several times throughout the school year. Parents will be notified of these meetings.

ENGLISH AS A SECOND LANGUAGE AND BILINGUAL PROGRAMS

English As A Second Language, Sheltered Content Instruction, Port of Entry, High Intensity ESL, and Spanish/Polish Bilingual Programs are for students limited in English proficiency. ESL students receive daily instruction to better understand, speak, read, and write English and to assist with the understanding of Content Area subjects as mandated by the State Department of Education. Port of Entry and High Intensity are provided for students who qualify.

The Polish and Spanish classes are located in magnet schools for those students requiring it. Students receive daily instruction in reading/language arts and mathematics using their native language and English. Report card grades in these subjects are given by the bilingual teacher.

Parents are strongly advised to cooperate with the recommendations of the committee in order to provide the child with the opportunity to learn in an environment conducive to his/her needs.

STUDENTS RIDING A SCHOOL BUS

Riding the school bus is a privilege accorded by the Garfield School District. This privilege can be denied by any student whenever it is determined that their activities present a safety hazard to other riders, or when the bus driver determines that his/her attention must be diverted from the safe operation of the bus to the control of the students. The Child Study Team Supervisor will determine final decision for bus privilege.

When possible, your child's belongings should be labeled

underlying all school activities, and for the care of school facilities and equipment."
